

RESOLUTION NO. 2001-79

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING  
THE CITY MANAGER TO PROVIDE A PUBLIC BENEFITS  
PROGRAM GRANT – DEMAND-SIDE MANAGEMENT PROJECT  
TO QUASHNICK TOOL CORPORATION

=====

WHEREAS, the State has mandated that beginning January 1, 1998, the City of Lodi is obligated to fund various programs through a Public Benefits Charge (PBC) based on a historical electric revenue requirement; and

WHEREAS, the requirement amounts to approximately \$1 Million per year that must be dedicated to qualifying programs such as energy efficiency. A further stipulation is that these efforts must be done on the customer's side of the meter in order to qualify; and

WHEREAS, the Electric Utility Department recommends that the City provide a Public Benefits grant in the amount of \$15,562.00 to fund an initial energy conservation measure that involves the removal of an existing 15-year old milling machine, and replacing it with one high-efficiency BostoMatic 12 high-speed precision graphite and metal milling machine; and

WHEREAS, the fully automated unit uses 20% less energy than its predecessor, and completely machines specified graphite and metal parts in roughly half the time of the existing milling machine.

NOW, THEREFORE, BE IT RESOLVED, that the Lodi City Council hereby authorizes the City Manager to provide a Public Benefits Program Grant in the amount of \$15,562.00 to Quashnick Tool Corporation to fund a demand-side management project as set out above.

Dated: April 4, 2001
