

RESOLUTION NO. 2001-155

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING THE CITY MANAGER
TO PROVIDE A PUBLIC BENEFITS PROGRAM GRANT – DEMAND-SIDE
MANAGEMENT PROJECT TO LODI MEDICAL PLAZA

=====

WHEREAS, the State has mandated that beginning January 1, 1998, the City of Lodi is obligated to fund various programs through a Public Benefits Charge (PBC) based on a historical electric revenue requirement; and

WHEREAS, the requirement amounts to approximately \$1M per year that must be dedicated to qualifying programs such as energy efficiency. A further stipulation is that these efforts must be done on the customer's side of the meter in order to qualify; and

WHEREAS, the Lodi Medical Associates group, which owns and operates the Lodi Medical Plaza, is embarking on a facility-wide demand-side management project; and

WHEREAS, the first phase of the project consists of a lighting retrofit of its entire 42,000 square foot facility. Based upon a lighting retrofit assessment conducted by Tru-Brite Energy Management Incorporated (a private contractor selected by the customer and approved by the City of Lodi Electric Utility for participation in our Business Energy Survey & Technology Program), once completed, Lodi Medical Associates will reduce energy consumption at their facility in excess of 30 percent; and

WHEREAS, the project specifically includes:

- removal of the existing 753 40-watt T-12 fluorescent lamps and all magnetic ballast;
- installation of new, high efficiency T-8 fluorescent lamps and electronic ballast;
- replacement of existing EXIT signs (incandescent) with light-emitting diode (LED) fixtures; and
- replacement all incandescent canned recessed lamps with compact fluorescent lamps.

BE IT RESOLVED, that the Lodi City Council hereby authorizes the City Manager to provide a Public Benefits Program Grant – demand-side management project to Lodi Medical Plaza in the amount of \$10,556.28.

Dated: June 20, 2001
