

In the City Council,
City of Lodi,
Lodi, California

RESOLUTION NO. 1381

WHEREAS, reorganization of the fiscal functions of this City must be made in order to properly distribute the burdens and responsibilities heretofore concentrated in the office of the City Clerk occasioned by the increases in population and area of this City, by the prospective addition of sewer rentals and a comprehensive business license tax and by the present addition of parking meters, and,

WHEREAS, pending the receipt of reports from Public Administration Service recommending radical changes in the fiscal system of the City of Lodi, certain work, surveys, and investigations must be made and accounts thereof set up, therefore,

BE IT RESOLVED, that the position of City Collector be and the same is hereby created outside the personnel system of this City, the duties of such office to be prescribed by this City Council from time to time as necessity shall demand and for the present to include but not be limited to:

1. The receipt and deposit of parking meter moneys.
2. The conduct of a survey of all dwellings receiving sewer service from this City's sewer system.
3. The collection of business licenses at and from the initiation of a new license ordinance.
4. The collection of public utility bills when this function is transferred from the office of the City Clerk.

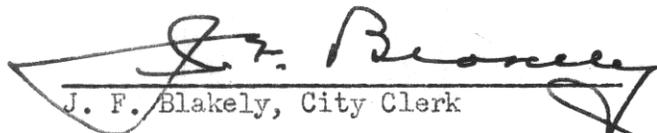

The salary and compensation of such City Collector shall, from and after the 1st day of December 1947, be \$ 300.00 per month and the City Treasurer is hereby named City Collector, such compensation, as above provided, to be in addition to his present salary as City Treasurer. Said City Treasurer shall serve as City Collector at the pleasure of the City Council.

Adopted December 3, 1947.
