

RESOLUTION NO. 2007-242

A RESOLUTION OF THE LODI CITY COUNCIL
ESTABLISHING STANDARDIZATION OF WATER
METERS FOR FUTURE PURCHASES

WHEREAS, based on the meter performance, ease of installation, and product support experienced during the pilot project, staff recommends that Hersey, Sensus, and Badger meters be established as the City's standard water meter for use on future meter installation projects: and

WHEREAS, limiting the standardized water meters to Hersey, Sensus, and Badger will assure competitive prices, increase department efficiency in meter maintenance and repair, and provide compatibility with the City's current Itron-based reading system; and

WHEREAS, Lodi Municipal Code §3.20.040 - Exemptions from Centralized Purchasing - authorizes the City Council to standardize on specific supplies, services, and equipment.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council hereby establishes Hersey, Sensus and Badger water meters as standard water meters for future purchases.
