

RESOLUTION NO. 2013-129

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING
PURCHASE OF ALUMINUM CHLOROHYDRATE FOR THE SURFACE
WATER TREATMENT FACILITY FOR FISCAL YEAR 2013/14 FROM
SOLE SOURCE CALCHEM COMPANY, OF MODESTO

=====

WHEREAS, the Surface Water Treatment Facility operation requires the purchase of several different chemicals commonly used to treat municipal drinking water. Aluminum chlorohydrate (ACH) is required for the treatment process to meet total organic carbon removal requirements established by the California Department of Public Health; and

WHEREAS, CalChem Company is the only manufacturer in California and is located approximately 42 miles from the Surface Water Treatment Facility in Modesto, CA. This close proximity minimizes freight costs, in addition to providing a lower cost by purchasing directly from the manufacturer versus a chemical supplier; and

WHEREAS, per Lodi Municipal Code Section 3.20.070, Bidding, the bidding process may be dispensed when the City Council determines that the purchase or method of purchase is in the best interest of the City.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve the purchase of aluminum chlorohydrate for Surface Water Treatment Facility for Fiscal Year 2013/14 from sole source CalChem Company, of Modesto, California, in the amount of \$60,000.

Dated: July 17, 2013

=====

I hereby certify that Resolution No. 2013-129 was passed and adopted by the City Council of the City of Lodi in a regular meeting held July 17, 2013, by the following vote:

- AYES: COUNCIL MEMBERS – Johnson, Katakian, Mounce, and Mayor Nakanishi
- NOES: COUNCIL MEMBERS – None
- ABSENT: COUNCIL MEMBERS – Hansen
- ABSTAIN: COUNCIL MEMBERS – None

RANDI JOHL-OLSON
City Clerk
