

RESOLUTION NO. 2013-218

A RESOLUTION OF THE LODI CITY COUNCIL  
AUTHORIZING THE CITY MANAGER TO EXECUTE A  
CONTRACT AMENDMENT WITH ATLAS COPCO  
COMPRESSORS, LLC, TO INCLUDE REPAIRS TO THE  
COMPRESSED NATURAL GAS FUELING STATION

=====

WHEREAS, the City has contracted with Atlas Copco Compressors, LLC, since 2002 to perform monthly inspections and maintenance on the compressed natural gas facility; and

WHEREAS, the contract for the monthly inspections and maintenance includes the labor and materials needed to perform the maintenance, but parts and labor to perform repairs are not included; and

WHEREAS, since Atlas Copco Compressors is the sole provider of replacement parts and certified Atlas Copco technicians, the public contract bidding process can be waived for capital repairs exceeding \$5,000 in cost. The purpose of this contract amendment is to include capital repairs in the contract and to reduce the time needed to make such repairs.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby authorize the City Manager to execute a contract amendment with Atlas Copco Compressors, LLC, of Rock Hill, South Carolina, to include repairs to the compressed natural gas fueling station, in an amount not to exceed \$25,000.
