

RESOLUTION NO. 2014-66

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING THE CITY MANAGER TO EXECUTE A POWER MANAGEMENT AND ADMINISTRATIVE SERVICES AGREEMENT WITH THE NORTHERN CALIFORNIA POWER AGENCY

WHEREAS, the Northern California Power Agency (NCPA) currently provides various Power Management and Administrative services to the City of Lodi pursuant to multiple service based agreements including a Facilities Agreement (FA), Scheduling Coordination Program Agreement (SCPA), and Pooling Agreement (PA); and

WHEREAS, many of these agreements were developed prior to the deregulation of the wholesale electric industry and therefore require modification to make them consistent with current electric utility industry requirements; and

WHEREAS, updates to these agreements are also needed to ensure consistency with how costs associated with such services are allocated to NCPA members in accordance with current NCPA Commission approved policies; and

WHEREAS, NCPA has developed a new agreement, the Power Management and Administrative Services Agreement, that will work together with the updated FA, SCPA, and PA; and

WHEREAS, the Power Management and Administrative Services Agreement will act as a routing agreement to clearly identify which service agreements a member is required to sign in order to take certain services from NCPA and how costs associated with Power Management and Administrative Services are allocated among the members who receive such services from NCPA; and

WHEREAS, the Power Management and Administrative Services Agreement has been written to mitigate cross-member risk and is structured to insulate members who do not take certain services from NCPA from risks inherent in the services and transactions undertaken by NCPA on behalf of any given member or group of members; and

WHEREAS, the Power Management and Administrative Services Agreement is designed to clearly assign costs attributed to particular services and to ensure that members who take certain services are obligated to assume all obligations that result from NCPA's actions in performing the services; and

WHEREAS, the Risk Oversight Committee received a report on this agenda item and recommends City Council approval.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby authorize the City Manager to execute a Power Management and Administrative Services Agreement with NCPA.
